## NOTICE

**From:** Senior Assistant Registrar (AA)      **Date:** 13<sup>th</sup> September, 2023

**To:** ALL 2022 KCSE KUCCPS PLACED STUDENTS

**Ref:** KAFU/501/SM/012/VOL. 2(270)

**SUBJECT: UNIVERSITY ADMISSION**

The above subject refers.

This is to inform you that Kaimosi Friends University started receiving its First year students on 4<sup>th</sup> September, 2023. The process of admission is still ongoing.

Therefore the Government has extended the timeline for application of scholarships and loans to 7<sup>th</sup> October 2023. In addition, the requirement for National Identity Card (ID) has been waived. This allows students who had not applied for scholarships and loans because they were underage or had not received their IDs ample time to apply.

In view of the above, all the 2022 KCSE KUCCPS placed students who are yet to report and had not applied for funding under the New Funding Model are encouraged to apply. They are also advised to report for admission as they await categorization and allocation of funding from the Government.
