Dear *Arh,*

**CONTINUING STUDENTS' APPLICATION FOR SCHOLARSHIPS AND LOANS**

The above subject matter refers.

As we strive to support our students in their academic journeys, it is important that we ensure all eligible continuing students are aware of and take advantage of the financial assistance available to them through scholarships and loans.

To facilitate this, we request your assistance in encouraging all continuing students at your institutions to apply for these scholarships and loans. The application process has been simplified to ensure ease of access; students can apply using the USSD code by dialing **\*642#** on their mobile phones and following the prompts provided. Please also, encourage all the continuing students to complete their applications promptly.

We urge you to disseminate this information widely using all available communication channels in your campuses.

Thank you for your continued support.

Yours *Sincerely,*
