6. RELEVANT ACADEMIC EXPERIENCE

6.1. TEACHING, APPRAISAL, SUPERVISION & SCHOLARSHIPS

6.1.1 Taught Courses

Over Fifteen (15) years of teaching experience at PhD, Masters and Undergraduate levels

Postgraduate {PhD and Masters} and Undergraduate Courses Taught:

Postgraduate Courses Taught	
Trends in Information Systems	Research Methodology
Enterprise Application Development and Architectures	Advanced Object-Oriented Programming
Object Oriented Analysis and Design	Advanced Cryptography and Security Analysis
Software Architectures	Machine Learning
Advanced Database Systems	
Undergraduate Courses Taught	
Procedural programming	Programming with C#
Data Structures and Algorithms	Computer networks
Fundamentals of computing	Software Engineering
Systems Analysis and Design	Operating Systems
Object Oriented Programming	
Object Oriented Analysis and Design	Accounting Information systems
Logic Programming	Database systems
Mobile Application Programming	Computer Architecture

Programming languages: C, C++, PHP, Java, VB.NET, Prolog, C#, J2ME, JavaScript, Python

Environments: Custom Software Development, Mobile App Development, Web App Development
