Agreement conditions
I, the user agree to take responsibility to assure that KAFUCO’s information will not be disclosed to unauthorized persons. At the end of my employment or contract with KAFUCO, I agree to return all information to which I had access because of my position in relation to engagement with KAFUCO. I understand that am not authorized to use this information for my own purposes nor am I at liberty to provide this information to third parties without the express written authorization. I agree to choose difficult-to-guess password as described in the ICT policy. I agree not to share this password with any other person and I agree not to write this password. I also agree to promptly report all violations or suspected violations of information security policies to In-Charge ICT.
