HIV/AIDS CONTROL UNIT

MEMO

From: Chairperson ACU

Date: 6th June, 2022

To: All Students

Ref: KAFU/110/HIV/001/VOL.1 (56)

SUBJECT: STI PREVENTION

The above subject refers,

The only completely effective preventive measure is to abstain from any sexual contact. However due to individual differences condom promotion activities are of central importance to efforts to prevent and control STIs and HIV/AIDS. Thus for the greatest protection, HIV/AIDS Control Unit Committee will demonstrate how to use a male condom, and female condom on Thursday 9th June, 2022 in selected hostels between **11.30 am** to **1.00 pm** at KAFUCO.

Thank you for your cooperation.
